

Greetings,

Tops Markets is excited to be a part of the community and with the new school year underway this is the perfect time to introduce our Tops in Education program to our communities.

First let me introduce myself, my name is Pam Sperling and I am with Tops Market in Hannibal. I would like to take this opportunity to invite you to register your schools for our Tops in Education program. Since the program launch now in it's 6th year, Tops has given back over \$550,000 to schools in our communities and now we are hoping to be able to give back to Cato-Meridian schools as well.

Here's how it works:

1. Customers register their TOPS BonusPlus®.
2. They select their school(s) of choice from the list of **schools that have registered** (they may select up to three schools).
3. Participants purchase participating TOPS brand, Full Circle™, TopCare®, Tippy Toes, Valu Time® and Best Yet® products with their TOPS BonusPlus® throughout the 2017-2018 TOPS in Education program year.
4. TOPS contributes up to 5% of their purchase to the school(s) they have chosen.

For additional information and to register your school, please visit www.topsmarkets.com/Education. Also please feel free to contact me with any questions, I look forward to your enrollment and to working with you to make this program a huge success for the Cato-Meridian community.

Thank You,

Pamela Sperling
